Supersedes: 02-47 MAA

From: Douglas Porter, Assistant Secretary
Medical Assistance Administration (MAA)

Subject: Medical Nutrition: Fee Schedule Changes

Effective for dates of service on and after July 1, 2003 , the maximum allowable fees for the Medical Nutrition program will remain at their current levels.

Maximum Allowable Fees

The 2003 Washington State Legislature **has not appropriated a vendor rate increase** for the 2004 state fiscal year. Therefore, the maximum allowable fees for the Medical Nutrition program will remain at their current levels.

Coding Changes

The Health Insurance Portability and Accountability Act (HIPAA) requires all healthcare payers to process and pay electronic claims using a standardized set of procedure codes. MAA is discontinuing all state-unique procedure codes and modifiers and will require the use of applicable CPT™ and HCPCS procedure codes. MAA is currently upgrading its claims processing system, and state-unique procedure codes used in the Medical Nutrition program will be discontinued by October 2003. MAA will notify providers of all coding changes in a later memorandum.
